EUROPE CONSTRUCTION

Europe Construction is a home remodeling company that is proud to call San Diego, California it's home. The owner and founder of Europe Construction, Sergiy Korelov, was born and raised in Ukraine. His father was a carpenter by trade who taught Sergiy the skills and secrets behind woodworking in the field of construction.

Europe Construction is a family owned business. Their clients can take comfort in the fact that they can deal directly with Sergiy himself. He brings a unique brand of customer care to the table for each and every job. He takes pride in taking care of his clients, and nothing satisfies him more than seeing the expressions of wonder and amazement when the clients first see their newly remodeled home.

Since it's inception in 2009, Europe Construction has become a trusted name in construction and remodeling. Sergiy and his expert staff at Europe Construction treat your home like it is their home.

Europe Construction specializes in a wide variety of different home improvement areas, such as kitchens, bathrooms, home offices, theaters, closets, from European Modern to American Classic. They are also known to be creative in order to reflect your personal style and and fit it in your budget.

Europe Construction is dedicated to making your house a brand new place that you can be proud to call your own.
